

# Academic Programs & Divisions

Three academic divisions (Humanities & Social Sciences, Professional Studies, and Science, Technology, Engineering, and Mathematics [STEM]) offer more than 30 programs and concentrations, and more than 800 credit and non-credit courses. In addition to daytime offerings on campus, a wide variety of credit and non-credit courses are taught in the evening and during the summer at various locations throughout Steuben, Chemung, Schuyler, Tioga and Yates counties. Specific preparation for programs will be found on the program pages. To be eligible to receive financial aid, students must be accepted in one of the following approved programs.
