

Catalog Changes

CCC's Course Catalog and Information Guide is compiled and published each academic year during the spring semester. The policies and procedures contained in the catalog are in effect as of August of the academic year of the catalog. Every effort is made to ensure the information provided in the catalog is accurate and current at the time of publication. CCC reserves the right to correct errors and to add, withdraw, or modify programs or courses based on changing needs or circumstances consistent with SUNY and NYS Education Department policy.
