

# Health Services

The SUNY CCC Health Office offers nursing services to students which are covered by a small annual health fee. These services include nursing care for minor illnesses and first aid for injuries, free over the counter medications, nutrition and health counseling, blood pressure screenings, assistance with complying with NY state immunization laws, and more.

Telemedicine is available in the health office and will be billed to the student's health insurance. This service is for non-emergent medical care on SUNY CCC's Spencer Hill Campus. The college nurse will perform an assessment and arrange a virtual medical appointment with a Schuyler Hospital medical provider, usually within 30 minutes.
